

ARTEOR™ WITH NETATMO

TALK - SWIPE - TOUCH

legrand®

HOW DO I BECOME AN ACCREDITED ARTEOR with NETATMO INSTALLER?

1. You can become an Arteor with Netatmo Accredited Installer by attending the training and successfully passing the assessment test.
2. Please register for the training by completing the online form. Contact Legrand to be sent the link or alternatively scan this QR code:

3. The duration of the training is three hours. It can be done both online or at our INNOVAL Training Center in Sandton (Johannesburg).
4. Starter Kits or Training Cases can be purchased for the training, however, this is not mandatory. Please note though, either of these serve as great demonstration and selling tools.
5. If you pass the training, you will be issued with a **certificate from Legrand** accrediting you as a Netatmo Installer.
6. Once training is complete you will need to complete the **Arteor with Netatmo Accredited Installer document**. This is for record keeping purposes to note your accreditation and permission to list your installation services on the legrand.co.za website.
7. For more information, please feel free to contact your Legrand distributor or call us on 011 444 7971.
