OVERVIEW 12|13

POP-UP BOXES

Our sleek new ergonomically designed pop-up boxes provide real ease of use and rapid connection solutions for mobile applications such as PCs, mobile phones, audio and video systems.

Users have a choice of high and low current desk or floor-mounted (raised access or concrete floors) connections for immediate use.

SLEEK DESIGN
Extra-slim format to blend discreetly into the office furniture or floor

ELEGANT FINISHES
Aluminium, bronze, stainless steel, black or white –
a perfect match for furniture and decor

SAFETY AND EASE OF USE
Soft opening cover with damper
and push & slide locking system

FUNCTIONALITY AND FLEXIBILITY
Available in 3, 2x3, 4 and 2x4 modules for
custom configuration or ready assembled
with low and high current functions

POWER & DATA
DESK GROMMETS

An ingenious ergonomically designed system that can be used to provide power, connect to the data network or recharge a mobile phone.

This solution integrates directly into the furniture with minimum effort and replaces existing cable entry plates. Mobile users have a handy high/low current connection point at their finger tips complete with mobile phone charger.

QUICK INSTALLATION
Replaces the existing cable outlet (60 < Ø < 80 mm)

ESSENTIAL FUNCTIONS WITHIN EASY REACH
2P+E, RJ 45 and USB sockets to meet the connection needs of mobile users quickly and easily

CLEVER CABLE MANAGEMENT
Versions available with reels equipped with retractable RJ 45 and USB cables

MODERN FINISHES
White, black or stainless steel finishing plates to match any office environment

DESKTOP MODULES

Available ready to use or as a customisable solution, our multi-outlet desktop extensions provide a high degree of flexibility and ease of use for both mobile and deskbased users.

These solutions can adapt to any furniture configuration and are easily installed on the desks to carry power as close to the user as possible without having to drill through the furniture.

DIVERSE FUNCTIONALITY
Mix of high and low current functions
(available in different installation standards)

FLEXIBILITY OF CUSTOMISABLE SOLUTIONS
Desktop extension modules can support different standards for power sockets or innovative functions

DISCREET CURRENT DISTRIBUTION
Under desk office module can be used as a standalone socket outlet or as an intermediary for multi-outlet desktop extenssions

OPTIMUM CABLE MANAGEMENT
A neat solution for tidying and protecting cables from the floor to the workspace

MEETING ROOM
MULTI-OUTLET EXTENSIONS

A turnkey solution perfectly suited to the specific connection needs of mobile users in meeting rooms.

Users have a choice of high and low current connections, as well as audio and video points, for connecting dedicated equipment.

legrand

MODERN DESIGN
Ergonomic shape allowing users to connect from both sides

DEDICATED MEETING ROOM FUNCTIONS
HD 15 socket and jack for sound system and video projection via ceiling-mounted projector

FLUSH-MOUNTING
OFFICE MODULES

Flush-mounting office modules can be installed unobtrusively in any office furniture and configured according to the needs of the user.

This integrated solution provides all high and low current connections within easy reach ensuring maximum user comfort.

CUSTOMISABLE FUNCTIONS
Modular functions can be adapted to suit requirements

HIGH-QUALITY FINISH
A neat and attractive solution which integrates discreetly into the surrounding decor
